Commencing	On the date of your commencement for research quarter 2, 2014
Allowances	None
Other notes	For conditions of this scholarship see the Commonwealth Scholarships Guidelines (Research) 2012 , and the UQ Research Scholarship General Conditions .

*As individual circumstances vary, the UQ Graduate School would encourage all scholarship holders to discuss the specific taxation implications of the scholarship with a financial advisor or directly with the Australian Tax Office.

The following terms and conditions apply to this offer. **You are required to:**

- **Formally accept or decline this offer** using the [response to offer web form](#).
- **Seek approval for any change** to the terms of this offer by contacting the UQ Graduate School.
- **Comply with the University's rules and policies** as set out on the [UQ Graduate School website](#) and elsewhere on the University of Queensland website. Note that you should periodically review the University's rules and policies, as Senate and the Academic Board introduces amendments and changes from time to time.

Congratulations on your achievement. I hope this scholarship support will assist you in acquiring world-class research training and help you achieve the timely submission of a quality thesis.

Yours sincerely,

Professor Alastair McEwan
Dean, UQ Graduate School
